

Homeland Security

A Public/Private Partnership

Overview

- Getting Started – The Team?
- Partnership Highlights – You Did What?!?
- Key Questions – Making it Work?
- The Future – But Wait There's More...

Getting Started – The Team

- Leadership
- Faculty
- Business
- Implementers

Partnership Highlights

- Established 3 new courses for a 9 unit Certificate Program
- Offered first course within 3 month – Sept.
- Built a faculty pool of instructors
- Infused additional modular trainings that lead to Industry Certifications
- Maintained a focus on Student Success
- Added new courses to the existing schedules

Key Questions

- What did it take to get started?
- How do you get it up and running...quickly?
- What does this type of partnership mean for the students?

The Future

- New Cohorts/New Courses
- Train the Trainers
- Expanding the Partnership
